

10 Things You Need Before Getting a Dog

Once you've selected your pet, here's a checklist of essential supplies you need:

1. Food and water bowls
2. Healthy dog food
3. Dog bed
4. Crate and Baby Gate
5. Toys and Chews
6. Leash, Collar and ID Tag
7. Variety of toys
8. Variety of treats
9. First-aid supplies
10. Grooming Supplies

A standard collar represents a world-wide recognized symbol for an "owned" dog.

ID tag provides instant access to the contact information and is the most effective method in reuniting pets with owners.

Locally-owned pet supply stores generally carry high quality goods for your dog and can provide you with advice on the most appropriate food and other supplies.

Before you settle on the perfect pooch, you'll want to doggy-proof your home and stock up on supplies.
